FLOOR DEBATE

out into its zoning jurisdiction and...and encompass roadways that are adjacent to the city and along the path where the city is growing, or would that have to be left to the county?

SENATOR BROMM: I believe that would be up to the county because, even though they can exercise their zoning jurisdiction outside of the city limits, they can't...they can't...they can't spend money on improvements outside of their city limits unless they annex that area where they're spending the money. SENATOR BEUTLER: Senator, thank you. I have no further comments, Senator Kristensen.

SPEAKER KRISTENSEN: Mr. Clerk, items for the record.

CLERK: Mr. President, your Committee on Nebraska Retirement Systems reports LB 687 to General File with committee amendments attached. That's signed by Senator Bruning. Amendments to be printed: Senator Suttle to LB 22; Senator Chambers to LB 752; Senator Raikes to LB 824; and Senator Wickersham to LB 123. In addition to those items, Mr. President, Education offers notice of hearing, General Affairs, likewise Transportation and Telecommunications, all of those signed by their respective Chairs. I have a confirmation hearing report from Natural Resources signed by Senator Schrock. And LB 825 has been selected as Senator Foley's priority bill; Senator Kruse has selected LB 1187. And I have some adds, Mr. President. Senator Aguilar would like to add his name to LB 112; Senator Beutler to LB 79. (Legislative Journal pages 388-392.)

SPEAKER KRISTENSEN: Members, as I announced earlier this morning, at this point in time we will entertain a motion to adjourn so you can attend, if you care to, the dedication of the Highway 2 to the (inaudible) Jerry and Betty Warner Expressway. That will be occurring across the hall over in the East Chamber. Mr. Clerk.

CLERK: Mr. President, a priority motion. Senator Coordsen
